

# 2024 Savannah River Mission Completion Family Scholarship Program

Dear Student:

SRMC is proud to continue the important tradition of supporting the educational endeavors of the younger generation, especially those within the SRMC family.

SRMC Family Scholarships are open to children of full-time SRMC employees who are in their last school year in public, private, home, or parochial high schools. The scholarships, in the amount of \$4,000 per recipient, are awarded based on an essay submission, grade point average (GPA), and leadership and scholarship achievement. These components are equally weighted in the final scoring of each application. The scholarships are to be applied to any bachelor's degree program at an accredited college or university selected by the recipient or to any technical college degree or certification program at an accredited technical college selected by the recipient.

The winning applicants are selected by a diverse team of employees. The students' names and identifying information will be removed from their applications prior to the committee's review to ensure an unbiased selection process.

Your academic accomplishments are something to be proud of, and SRMC is honored to be a part of your journey.

Best of luck to this year's applicants.

Regards,

Dr. L. Dave Olson

SRMC President and Program Manager
